I am not sure what my guests would like, how do I coordinate what each guests would like?

We take all of the hassle out of planning for you! Just fill out the simple Spa Party “requested itinerary”, and our spa director will do her best to accommodate all your guests with confirmed bookings and treatments prior to arrival.

How will I know that my “requested itinerary” was accepted?

Once you have e-mailed your “requested itinerary”, our spa director will contact you via phone and e-mail to fine tune the final Spa Party itinerary.

I have guest with special wishes, what can you do to accommodate them?

If you find that you or your guests have special requests or needs, we will try our best and are more than happy to create something just for you and your guest.

What if my guests want to choose additional treatments directly off the Neo Day Spa brochure menu?

We will be glad to accommodate those guests who would like to choose directly off of the Neo day Spa brochure menu, as time permits and upon availability of technicians. These extra services will then be charged in addition to the spa party fee previously booked.

Will there be any guests of mine waiting in between or before treatments?

I would like to bring a specific food or beverage item, will this be possible?

Is there a minimum age limit for spa services?

We can custom design any package for the younger groups. We may treat a person under the age of 16 with written parental/guardian or permission. We also ask that at least one adult is present. In the case of a spa party with minors (such as a Sweet 16), we will need parental permission from every guest & may ask for additional supervision.

Do you offer any discounts?

Discounts for groups of 4 or more are available on individually priced facials, body treatments and massage. (Prices on Spa Packages & Spa Party Packages already reflect discount)

What if someone is pregnant? Can they still receive spa services?

Neo Day Spa caters to pregnant women! Simply let us know how many pregnant guests to expect and we will take measures to ensure their comfort and safety. Services are not recommended before 12 weeks of pregnancy. In some instances, a doctor's note may be required.

How much time do you need to book a spa party?

Weekend spa parties book up quickly so we suggest that you book in advance. You may want to book your spa party as much as 1-2 months in advance to lock in your date. Generally, we recommend at least one-two weeks in advance for spa party bookings. However, please feel free to inquire about last minute spa party availability.

There will be some guests that will "drop by " during my spa party and not have any spa treatments. Is that OK?

One of the great perks of having a A Neo Day Spa Party is that not everyone has to have spa services to enjoy the party. Anyone is welcome to hang out & be part of the spa party festivities!

What if someone who has been a confirmed spa party guest doesn't show up at the spa party?

The full fee is expected even if one guest doesn't show to the spa party. However, it is still time that you paid for and you & your other guests will receive extra treatments to fulfill that treatment time.

What if someone is late to the spa party?

In the case of a confirmed spa party appointment - if guests are not present for their designated treatment time we will give you a 10 minute grace period. Should the guest arrive late, she will be given the remainder of your scheduled treatment time. You are still responsible for the full fee.

For Spa Parties, we cannot guarantee full service if someone is late for their start time. If it fits into the schedule of the party we will try to accommodate that guest.

What should I do to prepare for the spa party ?

We ask that you make sure that you are at the Neo Day Spa location at least 1/2 hour before reservation time. We will advise you further according to your scheduled event.
